*“Your best interest is our main interest!”*

Finding the right home is a wonderful experience and presently the low interest rates make this an exciting and strategic time to purchase a home. I'm Bernice Burns, a Real Estate Specialist with RE/MAX Elite in Brentwood, Tennessee happy to assist you with your home selling and purchasing needs.

While listed with me, your home will be featured in three popular publications that are available to local home buyers, and because RE/MAX is a national company, your home will receive even greater exposure on a nationwide market. A Feng Shui expert will arrange the entry of your home (free of charge) to allow the best flow of energy and impact to potential buyers. Before we meet to discuss marketing your home, I will create a complete market analysis to insure that you receive fair market value.

Hello, I am David Perkins with SunTrust Mortgage. My job as your loan officer is to provide you with the latest, most competitive mortgage products and to exceed your customer service expectations. I, along with my assistant Joanne Cox, will work very closely with you during your loan process and continue to do so after your loan is closed. Please do not hesitate to contact our team at 615-504-5626 or 615-748-4848 with any questions or to request estimates for your loan. I look forward to helping you obtain your mortgage and I am excited about being your lender for life!
